I don't mean to rush through the 2017 Corvette season before it even starts, but this important event will be here before you know it. It is not too early to start picking up things that the veterans can use, and it is also not too early to book a room at the Marriott!

The 14th Annual Vettes to Vets event is **Sunday - September 24th**. Yes— 14 years strong! It is amazing to see how this event has grown. Each year we see old friends and lots of new friends too.

Last year about 574 Corvettes paid tribute to our veterans. These Corvettes came from all over New England and beyond, even from Canada!

The veterans at the Edith Nourse Rogers VA Hospital in Bedford, MA come from every corner of our country and from all walks of life. Their bravery and sacrifice was, and still is, like nothing else in this world...a world that is safer because of their commitment to our freedom. We owe our freedoms to the men and women who served their country - from World War II, Vietnam, Korea, Iraq and Afghanistan - they all answered the call. Now it's our turn to answer the call....

For those who would like to experience the entire Vettes to Vets experience and stay overnight at the Marriott Hotel, there is a reduced room rate of \$95 per night. Call the **Marriott, 270 Concord Rd, Billerica, MA at 978-670-7500** and mention "Vettes to Vets" when reserving your room. This is a special rate for the Vettes to Vets event. There is a 7 day cancellation.

We hope you will again be part of our tribute this year and be present to say 'Thank You'.

Looking forward to seeing you on Sunday, September 24th.
