ADDITIONAL NAME TAG ORDER FORM

VOCM members purchase their initial name tag when joining the Club. Some members have asked if they can order additional name tags. Perhaps you will want to keep a name tag in the Vette for use during cruising season and have another name tag that is used during our popular winter events (sadly, after the Vette has been put away).

Sure thing! If you would like to order additional name tags, please complete the order slip below and return (with payment) to the VOCM Post Office Box address noted above.

Thanks for being a Member!
